

Say it with red hearts and ribbons. Spread a little beauty and good feelings everywhere.

Inspired by Valentines Day, **Point of Skin** and **Dr Baumann Cosmetics** have decided to introduce a RED HEARTS & RIBBON MONTH creating a new tradition of community awareness and caring with the focus on healthy families through good nutrition and safe skincare.

Create a Bionome Beauty Home Spa with Friends

Host your own beauty event at home. It's great fun and it gives you the opportunity to introduce **Dr Baumann Bionome** products to your friends so that they can also enjoy safe healthy skincare. Invite 2-3 special friends. Set up 3 places at your dining room table. Place a mirror and cotton make-up remover pads in front of each mirror. You need 2 bowls one to be filled with warm water and rose petals and one for used cotton pads. Add 1 small glass bowl for product. You need 3 headbands and Kleenex to line the collar of clothing.

Place **Dr Baumann Cleansing Milk**, **Dr Baumann Facial Tonic**, **Dr Baumann Peeling mild or medium**, **Dr Baumann Liposome Mask** on the table. Ask your favourite **Point of Skin** or **Dr Baumann Beauty Salon** for 3-4 samples of **Dr Baumann Intensive or Sensitive Cream** or use your own after all its in a good cause to have fun and to get your friends on to healthy **Bionome** skincare. Create a spa ambience with Rose or Vanilla scented candles and decorate the table with red Rose petals. Choose great background music. Serve vegetable dips, vegetable pate and, sparkling rose wine or if you're feeling extravagant go for Champagne.

Beauty Step by Step

Everyone should cleanse their face with the **Dr Baumann Cleansing Milk** Tissue off the residue or remove with warm water.

Next place a few drops of **Dr Baumann Facial Tonic** on the make-up remover pads to refresh the face. Apply the

Dr. Baumann Liposome Mask to face and neck (also in the eye area) Leave on for 15 minutes. Place cotton pads dipped in **Dr Baumann Facial Tonic** on eyes or place fine slices of cucumber over the eyes. Move through to the salon to relax. The **Dr Baumann Liposome Mask** will hydrate, firm and regenerate the skin. After 15 minutes massage the mask into skin and remove residue with cotton pads. Apply a small amount of **Dr Baumann Sensitive or Intensive Cream** as the beauty finale and see how everyone's skin looks fresh, firm and beautiful with a visibly healthy glow.

It will be a "spoiling" experience for everyone and definitely fun to spend time together.
