Dr Baumann Multi-Vitamin Fluid

DESCRIPTION:

A lovely light fluid lotion for the face.

BENEFITS:

A special product with vitamins and herbal extracts, the ideal special combination of active substances to work against impurities. Designed especially for young (teen and twenty's) skin, or for anyone who tends towards a combination to oily skin.

USE:

Can be used daily, mornings and/or evenings. To apply gently smooth an even coverage of the product into your skin using your fingers. Apply the product to the face, neck and decollete area. This should be done after correct cleansing, toning and eye care.

RECOMMENDED COMPLEMENTARY PRODUCT(S):

Dr Baumann Cleansing Gel

Dr Baumann Facial Tonic for Normal and Oily Skin

PRODUCT DETAILS:

Art.-No. 1914 75ml Bottle R339.00

INGREDIENTS (INCI) LIST:

Dr Baumann Cleansing Gel

DESCRIPTION:

A very gentle cleansing gel used to cleanse the face, neck and decollete.

BENEFITS:

A very mild cleansing gel which will not dry out the skin with frequent use. Great for anyone who prefers a foaming cleanser or wants to gently remove oiliness from the skin. Also effectively removes make-up.

USE:

Can be used daily, mornings and evenings. Gently lather the cleansing gel onto your skin using your fingertips. Once finished lathering remember to rinse the product from your skin. This should be done as the first step in a good skin care routine. A secondary cleanse is optional. Follow with appropriate facial tonic lotion.

RECOMMENDED COMPLEMENTARY PRODUCT(S):

Dr Baumann Tonic Lotion for Normal and Oily Skin
Dr Baumann Liposome Multi-Active Light

PRODUCT DETAILS:

Art.-No. 1918	75ml Bottle	R 133.00

Dr Baumann Peeling Mild

DESCRIPTION:

A granular exfoliator for face, neck and decollete.

BENEFITS:

A particularly gentle facial exfoliation by perfectly spherical polyethylene granules. The massaging action of the gentle exfoliating particles stimulates blood circulation without damaging the skin. The exfoliation of dead skin cells prevents blackheads and impurities and improves the effectiveness of skincare products. The cleansing, smoothing and revitalising action makes the skin look fresher, smoother and more attractive.

USE:

Can be used mornings or evenings, once to twice a week; or as otherwise prescribed by an industry professional. Gently massage it into the skin using small circular motions. The duration of use is dependant on individual skin types and requirements, however generally the exfoliatory massaging action is for two to three minutes.

RECOMMENDED COMPLEMENTARY PRODUCT(S):

Dr Baumann Cleansing Milk Special
Dr Baumann Sensitive for Normal and Dry Skin

PRODUCT DETAILS:

Art.-No. 1938 75ml Bottle R 339.00

INGREDIENTS (INCI) LIST:

Aqua, Ethyl Hexyl Cocoate, Butylene Glycol, Sucrose Cocoate, Polyethylene, Cetearth-20, Stearyl Alcohol, Carbomer, Tetrahydroxypropyl Ethylenediamine

Dr Baumann Facial Tonic Lotion for Dry Skin

DESCRIPTION:

A gentle toner for the face, neck and decollete.

BENEFITS:

Removes traces of residue and supports the physiological pH value of the skin. Has an astringent effect which assists to maintain refined pores. The skin is left pleasantly refreshed. After application of the tonic lotion the skin is optimally prepared for the moisturiser or treatment to follow.

USE:

Can be used daily, mornings and/or evenings after correct cleansing. To apply; add toner to cotton wool or cotton gauze and use to apply to the skin. The Tonic Lotions should not be rinsed off the skin - leave on after application and follow with an appropriate Liposome Serum, Eye Care and Cream.

RECOMMENDED COMPLEMENTARY PRODUCT(S):

Dr Baumann Cleansing Milk Special
Dr Baumann Intensive for Dry Skin

PRODUCT DETAILS:

Art.-No. 1017 200ml Bottle R 247.00

INGREDIENTS (INCI) LIST:

Aqua, Butylene Glycol, Panthenol, Sorbitol, Caprylyl/Capryl Triglycerides, Allantoin, Aniba Rosaeodora Oil, Hyaluronic Acid

DR. BAUMANN[®]

Dr Baumann Bleaching Cream

DESCRIPTION:

A specialised cream for hyper-pigmentation; for the face, neck and decollete.

BENEFITS:

A mild specialised cream to lighten the skin without the use of any harmful or unstable ingredients. The Dr Baumann Bleaching Cream is unlike many other hyper-pigmentation treatment creams which work by inhibiting enzymatic activity involved with melanin production - a process which leaves the skin in a heightened position of vulnerability. The Dr Baumann Bleaching Cream acts by protecting the skin from UV and affording the skin the opportunity to repair and support it's own natural physiological processes, which results in a rebalancing of melanin production in the skin. Especially effective when used in combination with an appropriate Liposome Treatment. For the most dramatic results this treatment cream should be used in combination with an appropriate professional salon treatment protocol.

USE:

Can be used daily, in the mornings and/or evenings. To apply gently and evenly smooth on a thin layer of cream onto the face, neck and decollete. This should be done after correct cleansing, toning, eye care and the application of liposomes. Any individual who is prone to hyper-pigmentation should always apply good sun protection throughout the day.

RECOMMENDED COMPLEMENTARY PRODUCT(S):

Dr Baumann Liposome Multi-Active Ceramide
Dr Baumann Liposome Multi-Active Super Cure

PRODUCT DETAILS:

Art.-No. 1160 50ml Jar R 715.00

INGREDIENTS (INCI) LIST:

Aqua, Ethyl Hexyl Cocoate, Butylene Glycol, Titan Dioxide, Hydrogenated Polydecene, Urea, Panthenol, Sodium Ascorbyl Phosphate, Diisostearoyl Polyglyceryl-3 Diisostearate, Polyglyceryl-2 Dipolyhydroxystearate, D-alpha-Tocopheryl Acetate, Lactic Acid, Allantoin, Sodium Chloride

Dr Baumann Cleansing Milk

DESCRIPTION:

A mild cleansing emulsion for the face.

BENEFITS:

A mild emulsion free of mineral oil which gently but thoroughly cleanses the skin without drying. Suitable for all skin types. Tip for the gentlemen: Ideal for use as a skin-friendly shaving cream before a wet shave. Use the Cleansing Milk to soften the beard for 5-10 minutes.

USE:

Can be used daily, mornings and evenings. Gently lather the Cleansing Milk onto your skin using your fingertips. Once finished lathering remember to rinse the product from your skin. This should be done as the first step in a good skin care routine. A secondary cleanse is recommended. Follow with toning.

Dr Baumann Liposome Multi-Active Light

DESCRIPTION:

A moisture-rich and nourishing serum for the face, neck and decollete.

BENEFITS:

The phospholipids of the liposomes, are important components of the intercellular substance between the skin cells, and display their effect in the upper layer of the skin. This strengthens the barrier function of the horny layer, which means a dry, flaky skin works much more effectively. Contains considerably less oil and fewer liposomes. This is ideal for oily skin, warm weather and to accustom the skin to the use of multi-lamellar liposomes.

USE:

Can be used daily, mornings and/or evenings. To apply; gently and evenly smooth on a thin layer of serum onto the face, neck and decollete. This should be done after correct cleansing and toning, using clean hands. Follow with eye cream or eye gel, and an appropriate facial care cream/lotion. Please note that any liposome product should not be used in combination with any products not manufactured by Dr Baumann Cosmetics.

RECOMMENDED COMPLEMENTARY PRODUCT(S):

Dr Baumann Solarium Liposome
Dr Baumann Liposome Multi-Active Ceramide

PRODUCT DETAILS:

Art.-No. 1070 30ml Bottle R 798.00

INGREDIENTS (INCI) LIST:

Aqua, Butylene Glycol, Urea, Simmondsia Californica Oil, D-alpha-Tocopheryl Acetate, Panthenol, Oenothera Biennis Oil, Lecithin, D-mixed-Tocopherols, Tetrahydroxypropyl Ethylenediamine, Carbomer, Allantoin, Retinyl Palmitate, Hyaluronic Acid

DR. BAUMANN[®]

Dr Baumann Liposome Multi-Active Super Cure

DESCRIPTION:

A moisture-rich and nourishing serum for the face, neck and decollete.

BENEFITS:

Contains highly effective multi-lamellar liposomes, nanosomes, ceramide, evening primrose oil, jojoba oil, vitamins A + E and provitamin B5. A deluxe product to meet high demands! Recommended if one wants to see what bionome skincare is truly capable of! Excellent for dramatic skin renewal, firming and evening of skin tone to leave the skin with a glowing youthful appearance. Tip for the gentlemen: Especially effective for replenishing the skin after shaving due to the high content of skin-endemic lipids from multi-lamellar liposomes.

USE:

Can be used daily, mornings and/or evenings. To apply gently and evenly smooth on a thin layer of serum onto the face, neck and decollete. This should be done after correct cleansing and toning, and should also preferably be applied after the use of an eye cream/gel. Follow with an appropriate facial care cream/lotion. Please note that any liposome product should not be used in combination with any products not manufactured by Dr Baumann Cosmetics.

DR. BAUMANN[®]

Dr Baumann Active Care

DESCRIPTION:

A treatment serum-gel for the face, neck and décolleté.

BENEFITS:

The ultimate treatment for pimple prone, impure skin. It treats the skin efficiently with clearly measurable results in both the lower levels of the epidermis and on the skin's surface. Active Care contains valuable active ingredients in high concentrations such as tea tree oil, vitamin E, lecithin, zinc oxide and vitamin A. Active Care must be applied over the entire face (and décolleté if necessary), directly onto clean skin. Regular application of this product will ensure a dramatic improvement of impure problem skin (liposome material present in the lecithin allows for a deeper penetration of the epidermis).

USE:

Can be used daily, mornings and/or evenings. To apply; gently and evenly smooth on a thin layer of serum onto the face, neck and décolleté. This should be done after correct cleansing and toning, using clean hands. Follow with eye cream or eye gel, and an appropriate facial care lotion if desired. Please note that any liposome product should not be used in combination with any products not manufactured by Dr Baumann Cosmetics.

RECOMMENDED COMPLEMENTARY PRODUCT(S):

Dr Baumann Cleansing Gel
Dr Baumann Anti-Comedo Lotion pH 4,8

PRODUCT DETAILS:

Art.-No. 1191 30ml Bottle R 869.00
