Say it with red hearts and Ribbons. Spread a little beauty and good feelings everywhere.

February brings thoughts of Valentines Day, of hearts and flowers and red ribbons. Today it **celebrates love in all its forms** and is not restricted to romantic love. People exchange cards and gifts with parents, siblings, cousin's friends, colleagues and in present times this day has assumed a secular and global flavour, being celebrated by peoples of all races, religions and ages. **It is a joy filled time for everyone to share.**
